# ABOUT TNOU

"The Tamil Nadu Open University is the first University in the State introduced the Credit Based Self Learning Materials in print as early as 2003"

The Academic Programmes of TNOU are duly recognized by UGC-DEB, NCTE, RCI and AICTE. The University has been accorded 12B Status of the UGC. The academic operations commenced in 2003-04.

While the round the year admission policy with examination schedules conveniently arranged on weekends and the effective continuous assessment provision have sufficiently addressed the issue of quantity in the form of increasing higher education access, the University has been harnessing the advancement in ICT to continuously improve the quality of higher education.

The growth of the University during the past 20 years has been phenomenal. With a cumulative student strength of over one million in 234 Programmes of study across various disciplines and skills at different levels from Certificate to Post Graduate Programmes that are imparted through 11 Academic Schools, 5 Support Divisions, 1 Media Centre and a robust network of Learner Support Centres and the Community Colleges across the State. As per UGC-DEB approval, the TNOU started its M.Phil. and Ph.D. programme (in Regular Mode) in 2017.

In order to provide Skill Based Education and Training to the disadvantaged groups in Tamil Nadu through Community Colleges, the TNOU has been identified and issued order by the Government of Tamil Nādu in 2008 (G.O.M.s. No-163 dated 22-05-2008) to offer skill development programmes.

These Skill Education and Training Programmes are now offered at Short Term, Certificate, Vocational Diploma and Advanced Vocational Diploma levels in TNOU. The University has automated its learner support systems including admission, examination, material distribution, academic counselling, etc. In the current enrolment of Academic year 2022-2023, it stands at 16,881.

With the sanctioned teaching staff strength of 105 and Non – Teaching staff strength of 68, among the 16 Open Universities in the country, the Universities stands out of the 6 open universities to have been accorded with the 12B status by the University Grants Commission (UGC). Since its inception, the University has been catering to the learning needs of the disadvantaged and deprived in society. With a view to increasing the access to higher education and improve the quality of higher education offered through the open and distance learning modes by coordinating with such provisions in the State, the Government of Tamil Nadu established the Tamil Nadu Open University.

## **MOTTO**

**Education for All and Ever.**

**எல்லோருக்கும்எப்போதும்கல்வி**

## **VISION**

Tamil Nadu Open University shall make available innovative, socially relevant educational provisions that are learner centered, seamless and are of high quality by employing appropriate technologies to achieve equity in education, sustainable social transformation, and composite national development.

## **MISSION**

Towards becoming a Centre of Excellence in Open and Distance Learning (ODL) by offering quality programs to meet the current and emerging needs of the adult population, by widening the access to higher education and by functioning as a catalyst to bridge social, including digital divides and to build a developed India, Tamil Nadu Open University shall:

- Evolve flexible and robust curricula to widen educational access, deepen knowledge frontiers and create entrepreneurial skill sets.
- Reach the rural communities through lifelong learning programmes for livelihood improvement.
- Establish networked environments for quality assurance.
- Foster private-public partnerships.
- Bridge the digital divide and implement 'anywhere, anytime' learning environments.
- Become a digital repository for ODL in the State facilitating Research and Development for new knowledge creation.
- Coordinate and implement standards in ODL.

## COAT OF ARMS

The emblem consists of a round crest with a ribbon. In the center of the crest, the earth is placed on an open book and an earthen lamp is placed on the earth. The left side of the crest has a monitor, and the right side of the crest has a telecommunications tower.

The open book depicts knowledge; the earth represents prosperity; earthen lamp describes eternal life; monitor denotes online learning; and the telecommunications tower depicts distance education and mass media communication. Around the four directions of the earth, four domains are located which represent the four pillars of education i.e., education to know, education to do, education to live together and education to be.

On the whole, the emblem of Tamil Nadu Open University represents that through open and distance education the life of people will prosper, and they will gain wisdom for eternal life.

Around the shield, the name of the University is imprinted in both Tamil and English in a circle. In the ribbon, the motto of the university 'எல்லோருக்கும் எப்போதும் கல்வி' is imprinted in Tamil, which means 'Education for Anyone at Any time'.
