Director (i/c), Student Support Services Division

Dr. R. ARUMUGAM
Director (i/c), Admission Division

ABOUT TNOU

Tamil Nadu Open University was established by an Act of (No.27 of 2002) Legislature of Tamil Nadu in 2002. In fact, the Tamil Nadu Government through TNOU has assumed the responsibility to meet the ever-growing demands for Higher Education from diverse sections of the society, irrespective of caste, creed, religion, age, profession and habitat, in the State by way of Reaching the Unreached and Education for All and Ever at an affordable cost.

The Academic Programmes of TNOU are duly recognized by UGC-DEB, NCTE, RCI and AICTE. The University has been accorded with 12B Status of the UGC. The academic operations were commenced in 2003-04.

The Tamil Nadu Open University is the first University in the State that introduced the Credit Based Self Learning Materials in print as early as 2003. While the round the year admission policy with examination schedules conveniently arranged on weekends and the effective continuous assessment provision have sufficiently addressed the issue of quantity in the form of increasing higher education access, the University has been harnessing the advancement in ICT to continuously improve the quality of higher education.

The growth of the University during the past 20 years has been phenomenal. With a cumulative student strength of over one million in 234 Programmes of study across various disciplines and skills at different levels from Certificate to Post Graduate Programmes that are imparted through 11 Academic Schools, 5 Support Divisions, 1 Media Centre and a robust network of Learner Support Centres and the Community Colleges across the State. As per UGC-DEB approval, the TNOU started its M.Phil. and Ph.D. programme (in Regular Mode) in 2017.

In order to provide Skill Based Education and Training to the disadvantaged groups in Tamil Nadu through Community Colleges, the TNOU has been identified and issued order by the Government of Tamil Nadu in 2008 (G.O.M.s.No-163 dated 22-05-2008) to offer skill development programmes.

These Skill Education and Training Programmes are now offered at Short Term, Certificate, Vocational Diploma and Advanced Vocational Diploma levels in TNOU.

The University has automated its learner support systems including admission, examination, material distribution, academic counselling, etc. In the current enrolment of Academic year 2022-2023, it stands at 16,881.

With the sanctioned teaching staff strength of 105 and Non – Teaching staff strength of 68, among the 16 Open Universities in the country, the University stands out of the 6 Open Universities to have been accorded with the 12B status by the University Grants Commission (UGC).

NAAC ‘A+’ Accreditation: The University has achieved an impressive ‘A+’ Grade with a CGPA of 3.32 out of 4 in its very first cycle of accreditation from the National Assessment and Accreditation Council (NAAC), Bengaluru declared on 02.08.2023. TNOU is the second Open University in India to attain the highest score in NAAC Accreditation during its first cycle.

TNOU MOTTO

Education for All and Ever

எல்லோருக்கும் எப்போதும் கல்வி

Vision

Tamil Nadu Open University shall make available innovative, socially relevant educational provisions that are learner centred, seamless and are of high quality by employing appropriate technologies to achieve equity in education, sustainable social transformation and composite national development.

Mission

Towards becoming a Centre of Excellence in Open and Distance Learning (ODL) by offering quality programs to meet the current and emerging needs of the adult population, by widening the access to higher education and by functioning as a catalyst to bridge social, including digital divides and to build a developed India, Tamil Nadu Open University shall:

- Evolve flexible and robust curricula to widen educational access, deepen knowledge frontiers and create entrepreneurial skill sets;
- Reach the rural communities through lifelong learning programmes for livelihood improvement;
- Establish networked environments for quality assurance;
- Foster private-public partnerships;
- Bridge the digital divide and implement ‘anywhere, anytime’ learning environments; and
- Become a digital repository for ODL in the State facilitating Research and Development for new knowledge creation.

Institutional Objectives

- To strengthen and diversify the degree, diploma and certificate courses related to the needs of employment and necessary for the economy of the State and the Country;
- To provide access to higher education for large segments of population and in particular, the disadvantaged groups such as those living in remote and rural areas including working people, makers and other adults who wish to upgrade or acquire knowledge through studies in various fields;
- To promote acquisition of knowledge and to continually offer opportunities for upgrading knowledge, training and skills in the context of innovations, research and discovery in all fields of human endeavours;
- To evolve flexible and robust curricula to widen educational access, deepen knowledge frontier and create entrepreneurial skill sets;
- To provide a non formal channel of educational system complementary to the formal system and encourage transfer of credits;
- To provide education and training in the various arts and crafts; and
- To provide for training of teachers.

PROGRAMMES RECOGNITION

The Programmes offered by the Tamil Nadu Open University have been recognized by the following statutory bodies.

University Grants Commission (UGC) -
Distance Education Bureau (DEB)

National Council for Teacher Education (NCTE)

All India Council for Technical Education (AICTE)

Rehabilitation Council of India (RCI)
