About TNOU

With a view to increasing the access to higher education and improving the quality of education offered through the Open and Distance Learning modes by coordinating such provisions in the State, the Government of Tamil Nadu established the Tamil Nadu Open University in 2002 with the motto of extending education to 'anyone, anytime, anywhere'. Since its inception, the University has thus been catering to the higher education needs of all including the disadvantaged and deprived in the society.

TNOU is accredited with 12b status by the UGC and it has got the UGC approval to offer various UG, PG, M.Phil., & Ph.D. including B.Ed.Spl.Ed. programme for the years 2018-19 to 2022-23.

About SOSER

The School of Special Education and Rehabilitation (SOSER) was established with the approval of the Academic Council and the Syndicate of the University in 2009. The prime function of the School is to undertake academic, training, research, and extension activities for promoting education and rehabilitation of persons with disabilities. The Tamil Nadu Open University and the Rehabilitation Council of India have signed a MoU on 14.07.2006 (renewed on 04.10.2011 and 17.02.2017) to launch the B.Ed.Spl.Education Programme with the specialisations of Hearing Impairment (HI), Visual Impairment (VI) and Intellectual Disabilities (ID) through Distance Mode.

The Tamil Nadu Open University is the first State Open University offered M.Ed. in Special Education through Distance Mode during 2015-2016. The Special Education programmes offered by SOSER are approved by the Government of Tamil Nadu and the Rehabilitation Council of India (RCI), New Delhi.

About the In-service Training

The XII Plan of Govt. of India has recognized inadequate awareness and sensitivity amongst various stakeholders as a major challenge. It was felt that there is urgent need for in-service training amongst the various stakeholders to create awareness about the rights and entitlements of PwDs, provisions in various schemes, developmental programmes, ways and means to access their specific entitlements and those that they are entitled to be as equal citizens. Therefore, in order to realize the above said objectives, the Govt. of India has made a provision for training and sensitization of key functionaries of Central /State Govt. under the 12th Five year plan through DEPwD, This is envisaged to be achieved by organizing Short term training programmes through workshops at State/District/Block level on regular basis. Accordingly, Department of Empowerment of Persons with Disabilities (DEPwD) has provided a new Central Sector Plan Scheme i.e. "In-Service Training and Sensitization Key Functionaries of Central and State Governments, Local Bodies and Other Service Providers" w.e.f. 29th December, 2014. The DEPwD has assigned the responsibility of Nodal Agency to Rehabilitation Council of India (RCI) to implement the said scheme at National level. This training is meant for the key functionaries dealing with disability sector. This will also include sensitization and awareness amongst public representatives at all levels.
